

3rd Research Forum of the European Association for Palliative Care

“Methodology for Palliative Care Research”

Stresa, Lago Maggiore (Italy), 3-6 June 2004

Thursday, June 3 2004

Registration and distribution of congress material

Friday, June 4 2004

	Auditorium Ground Floor 800 pax	Panoramic Hall First floor 250 pax	Hall 1 First floor 200 pax	Hall 2 First floor 80 pax
08.40-08.45	Opening address			
08.45-09.15	Plenary Methodology of Research in Cachexia			
09.15-09.45	Plenary Psychosocial and existential issues in PC			
09.45-10.15	Coffee break, exhibition and poster visit			
10.15-11.00	New Research Data Session Cachexia, Fatigue, Constipation, Dyspnea	Education Session Pain measurement and cognitive failure	Workshop Translational research in palliative medicine: a need for an interdisciplinary approach	
11.00-11.30				
11.30-12.00				
12.00-12.15				
12.15-13.00	Satellite Symposium - lunch included New findings in Palliative Care - a European approach to Palliative Care			
13.00-13.30				
13.30-14.15				
14.15-14.30	Satellite Workshop	New Research Data Session Measurement tools in palliative care towards a new common standard? Part 1	Workshop Health services research in palliative care: evaluation of services and definition of palliative care programme and population	Education Session How to conduct a study: from the research proposal to the paper
14.30-15.00				
15.00-15.30				
15.30-16.15				
16.15-16.45	Coffee break, exhibition and poster visit			
16.45-17.00	New Research Data Session Conducting clinical trials in palliative care	New Research Data Session Pain - different aspects	Education Session How to handle missing data	
17.00-17.30				
17.30-18.00				
18.00-18.45				
evening	Social event: Italian Dinner, at Regina Palace Hotel			

Saturday, June 5 2004

	Auditorium Ground Floor 800 pax	Panoramic Hall First floor 250 pax	Hall 1 First floor 200 pax	Hall 2 First floor 80 pax
08.45-09.00	<b>Plenary Round Table</b> Assessment and organisation in palliative care research - challenges and solutions			
09.00-09.15				
09.15-09.45				
09.45-10.15	Coffee break, exhibition and poster visit			
10.15-11.00	<b>New Research Data Session</b> Health services research in palliative care: evaluation of services and definition of palliative care programme and population - part 1	<b>Education Session</b> Opioid response: from the lab to the bedside	<b>Poster Discussion Session</b>	
11.00-11.30				
11.30-12.00				
12.00-12.15				
12.15-13.00	<b>Satellite Symposium - lunch Included</b> Current Standards in Palliative Care - The Role of Transdermal Buprenor- phine			
13.00-13.30				
13.30-14.15				
14.15-14.30	<b>New Research Data Session</b> Research in the care of the imminently dying	<b>New Research Data Session</b> Health services research in palliative care: evaluation of services and definition of palliative care programme and population - part 2	<b>Satellite Workshop</b> Spinal Delivery of Opiates with Implantable Devices for Treatment of Cancer Pain: Where are we?	<b>Education Session</b> Measurement tools in palliative care - towards a new common standard?
14.30-15.00				
15.00-15.30				
15.30-16.15				
16.15-16.45	Coffee break, exhibition and poster visit			
16.45-17.00	<b>Workshop</b> An updated research agenda on ethics in palliative care (apart from euthanasia and physician assisted suicide)	<b>Education Session</b> How to build a research group	<b>New Research Data Session</b> Qualitative studies	<b>Education Session</b> Family and bereavement
17.00-17.30				
17.30-18.00				
18.00-18.45				
19.00-20.00	Get together Cocktail for all Participants			

Sunday, June 6 2004

	Auditorium Ground floor 800 pax	Panoramic Hall First floor 250 pax	Hall 1 First floor 200 pax	Hall 2 First floor 80 pax
09.00-09.30	<b>Workshop</b> Palliative care and end-of-life decisions in six European countries	<b>New Research Data Session</b> Measurement tools in palliative care - towards a new common standard? Part 2	<b>Education Session</b> Assessment of depression and anxiety in palliative care	<b>New Research Data Session</b> An updated research agenda on family and bereavement
09.30-10.00				
10.00-10.30				
10.30-11.00	Coffee break, exhibition			
11.00-11.30	<b>New Research Data Session</b> Assessment of depression and anxiety in palliative care	<b>Workshop</b> Spiritual and existential distress. Steps towards a research agenda	<b>Education Session</b> Problems and solutions in conducting clinical trials in palliative care (frail patients, blinding, placebo...)	<b>Poster discussion Session</b>
11.30-12.00				
12.00-12.30				
12.45-13.15	Poster Highlight - Closing Session			

Research in Palliative Care
