

Arcotel am Kaiserwasser ****

ARCOTEL
KAISERWASSER

Like a “hovering airship”, ARCOTEL Kaiserwasser and its lit aluminium facade blend naturally into the green environment of the “Alte Donau” oxbow lake and Vienna’s skyline next to the UNO City - Vienna International Centre and the Austria Centre Vienna - a unique symbiosis of nature and city, business and relaxation.

ARCOTEL Kaiserwasser stands out by its international and cosmopolitan atmosphere, top modern facilities for events, a fitness centre with a breathtaking view of Vienna’s skyline and the Danube River as well as a car park.

All rooms and suites of ARCOTEL Kaiserwasser were planned and designed by the artist Harald Schreiber. His concept gives the rooms both a cosy atmosphere and an individual look based on warm wood and red tones. Top-modern technology can be found in the rooms, such as high-speed Internet access, flat-screen TV and CD/DVD player. Also the rooms are equipped with a minibar (not included in the room rate) and a telephone. The rooms either have a view over the Kaiserwasser oxbow lake, the park or the Austria Center Vienna (street side).

Accessibility to the congress venue:

- Underground station U4 Pilgramgasse → Karlsplatz change to U1 → U1 Kaisermühlen-VIC running time 15 min.)
