

INVITATION

The Budapest Commitments at the EAPC Congress in Vienna

Dear EAPC member,

We are setting up a “Budapest Commitment Workshop” at the EAPC Congress in Vienna and we hope that you and other colleagues from your organisation will have the opportunity to participate! The different Commitments and future development will be presented and discussed. The scheduled time for the workshop is **Thursday, 7 May 2009, 13.00 – 16.30**.

Programme:

Chairs CJ Fürst, L Radbruch,

- Welcome and introduction
- Overview of the Commitments – topics and achievements so far
- Group discussions on specific topics e.g. education, policy and research
- Reports from the groups
- Presentation of good examples
- From Budapest to Vienna to Lisbon – discussion on how to proceed

Unfortunately the Congress budget does not allow for any reductions of registration fees or any support for travel or accommodation costs in relation to this workshop. It is our sincere hope that you will attend the Congress and the workshop anyway!

Please let us know if you and hopefully several others from your group will be able to represent your organisation at the workshop!

With kindest regards

Carl Johan Fürst

Lukas Radbruch
